

CYC Trip Planning Materials

- **CYC Cruising Package** – This package includes everything you will need to start planning your yachting itinerary in Lake Huron. It includes: The Ports Cruising Guide and a 2 hour DVD about boating in the North Channel. It also has three charts # 2299, 2207 & 2205 plus the Turner’s overview map of the entire region including Manitoulin Island. **The price is: \$135 ***
- **The Ports Cruising Guide for Lake Huron** - This excellent boating guide has 334 pages full of important information about all of the Canadian ports in Lake Huron with special sections about the North Channel & Georgian Bay. Many colour aerial photographs show preferred routes into anchorages and town harbours. Valuable phone numbers for each port & business directories are also included. There are also excellent itinerary suggestions with details on distances, etc. We highly recommend this book for your trip. \$42.95
- **North Channel 2 hour DVD – Brand new!** This detailed DVD is the newest in a series produced in association with Boating Television. Amazing aerial views & detailed footage of anchorages, towns and more. A great help for pre-planning and for getting the crew excited about the upcoming trip! \$29.95
- **Turner’s Map** – This overview map provides a view at the entire region in a glance including all of Manitoulin Island. It details all of the roads & towns on Manitoulin and every island in the North Channel is also labelled. \$6.95
- **Navigational Charts:**
 - 2299 West to Meldrum Bay with details to Clapperton and Whalesback channel \$20
 - 2257 Gore Bay to Clapperton West includes the Benjamins, Croker & Fox Island \$20
 - 2207 new chart Clapperton East, Bay of Islands and Little Current \$28
 - 2205 Little Current to Killarney strip chart \$14Many other charts available for the North Channel and Georgian Bay.
- **Well-Favoured Passage: The Magic of Lake Huron’s North Channel**
The original cruising guide to the North Channel written by Marjorie Cahn Brazer. This excellent guide has been updated by Pixie Haughwout & Ralph Folsom to provide great insight into the local history and culture plus many tips on gunk-holing in the lesser known anchorages. \$49.95
